

saboteur

I am the one who
 rebels and resists
I am the one who
 will not be oppressed
I am the one who fights back.

I am the one who
 calls bullshit on bullshit
I am the one who
 demands to be free
I am the one who makes trouble.

I won't play it safe
 or be someone else
I am the poet
I am the artist
 the one who goes over the wall.

*I am the one who knows
 that a failure to accommodate yourself
 to a system that strips you of your dignity
 and violates the very essence of who you are
is not a failure at all.*

I am an energy that cannot be suppressed
 forgotten
 bought off
 or repressed.

I am the child
I am the elder
I am eternal.

I have no price
I kick and scream
I smash the clocks
I rock the boat
I am the force of life.
