

starlight ocean

starlight ocean
brown skin wonderland
roller coaster hummingbird
silk smart radiance.

dark-eyed luxury
brilliant hourglass
plush warm lovely
forgotten dream.

forgotten dream
forgotten worlds
forgotten self
forgotten need.

she is jungle
she is ocean
she is starlight
she is music.

glorious illusion
forbidden treasure
holographic past
someone else's present.

with her I want
with her I remember
but wanting is not having
and remembering is not being.
